VENUS - The Epitome of WiEness

IEEE Kochi hub celebrates international women's day with a one-day learning programme on March 8th 2020 at Government College of Engineering, Thrissur exclusively for women. The programme witnessed 60 delegates from different colleges in Kochi hub. Ms. Latha Balachandran, Managing Partner of Resitech Electricals was the chief guest. She gave a speech on how women can change the world. Ms. Henna Jayanth, Racer Car driver was our second speaker.. Speaker 3 was a student, selected from Voice of WIE. Mr. Kiran Johns, Qiskit Advocate IBM also a student of MA College of Engineering, Kothamangalam. He introduced the delegates to the world of quantum computing and its applications. Lastly, Ms. Jiby Krishna, Engineer at Agappe Diagnostic Ltd addressed how to come out of the comfort zone and work towards an aim. After the speaker sessions there was also a session on self-defence.

AMAL JYOTHI COLLEGE OF ENGINEERING

WIE Essay Writing Competition

Date: 20th March 2020

No. of participants: 19

An online essay writing competition was held as a part of women's week celebration at our SB. This was a program open to all female students of the college. The topic of the competition was 'Women-the real architects of the society'.

WIE Webinar : 'Know it all' to 'Learn it all': Developing a culture of continual learning and personal branding

Date: 19th May 2020

No. of participants: 136

WIE webinar was led by Ms. Aisha Nazia Nasir Mayin, growth facilitator and outreach expert. The talk included various aspects of continual learning like ikigai, personal growth, social media, and personal branding.

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY(CUSAT)

The WIE AG ExeCom Training

Date: 25 April 2020

No. of Participants: 17

The WIE AG ExeCom training session was handled by Ms. Mini Ulanat, the WIE Chair of IEEE Kerala Section. All the new WIE members became aware of the opportunities in WIE, the various travel grants, funding, WIE awards, the importance of proper office reporting and documentation of events.

CUSATWEB Webinar Series

A platform opened by IEEE CUSAT SB & WIE AG for the CUSAT community to share their technical knowledge with their colleagues in the form of webinars. 8 webinars were conducted under the webinar series

Webinar 1: 'System Design for Mission100kft Payload'

Webinar 2: 'Wave Star Energy – an Eco-friendly Solution to the Energy Crisis'

Webinar 3: 'Basics of Networking and Protocols'

Webinar 4: 'Introduction to UI design and Prototyping'

Webinar 5: 'Are Hackathons for you?'

Webinar 6: 'Introduction to Android App Development'

Webinar 7: 'Introduction to MATLAB'

Webinar 8: 'Computer Vision'

INWED 20 Photography Contest

Date: 25 June 2020

No. of Participants: 16

IEEE CUSAT WIE AG celebrated this year's International Women in Engineering Day by conducting a Photography contest with the theme 'The women Engineer in you'.

Kochi Hub Reports

COLLEGE OF ENGINEERING CHENGANNUR

WIE Weekly Meetings 1

Date: 26 February 2020

No. of Participants: 17

IEEE Women in Engineering Affinity Group conducted its first Weekly Meeting after the reporting of new ExCom for this academic year, and it was led by Rithu Maria Jose, the newly elected Chairperson of IEEE WIE AG CEC. Students were asked for suggestions for the topics on which sessions needed to be conducted.

WIE-TECH: Opportunities and Difficulties Faced By Women In Industry Session

Date: 3 March 2020

No. of Participants: 17

IEEE Women in Engineering Affinity Group organized a session, WIE- Tech: Opportunities and Difficulties Faced By Women in Industry. The session was taken by Shweta Prabhakar and discussed the importance of work-life balance, the physical barriers a woman has to overcome for attaining a successful career. Shweta kept the session quite lively and interactive by asking questions to the attendees.

Learn to Code

Date: 10 March – 22 April 2020

No. of Participants: 31

IEEE Women in Engineering Affinity Group in collaboration with IEEE Computer Society Student Branch Chapter College of Engineering Chengannur organized Learn to Code, a four-week online training program for female students from non-CSE branches to help them step into the world of Computing. With the help of beginners' tutorial videos in C and other online resources, the students were assigned daily assignments, which they uploaded on their respective GitHub accounts, and were evaluated by the mentors. With the systematic orientation of the program, it turned out to be a great success. With the guidance from 8 mentors, all the 31 students successfully learned basic C Programming and completed their projects.

Kochi Hub Reports

LEARN TO CODE - Introduction to GitHub (Webinar)

Date: 30 March 2020

No. of Participants: 31

IEEE Women in Engineering Affinity Group in collaboration with the IEEE Computer Society organized a webinar on Introduction to GitHub, on 30th March 2020 from 06:30 PM to 07:30 PM. The webinar was taken by Shylesh S, and he gave an introduction to GitHub, steps to create a GitHub account, create repositories, adding files, and the uses of GitHub. The webinar remained active till the end since a lot of participants asked and cleared their doubts.

WISSEN - March Edition

Date: 31 March 2020

No. of Participants: 18

The March Edition of Wissen was conducted on Tuesday, 31st March 2020. 18 students participated in the same. The quiz consisted of fifteen questions from the topic Internet of Things; 14 MCQs and one essay question to evaluate how much understanding the participants had on the topic. The winners of Wissen were finalized after crucial evaluation.

#IamRemarkable Workshop

Date: 2 April 2020

No. of Participants: 30

IEEE Women in Engineering Affinity Group organized an #IamRemarkable Workshop through a webinar, on 3rd April 2020 from 05:30 PM to 07:30 PM. The workshop was taken by Amalu Susan Santhosh, an #IamRemarkable facilitator and Google Women Techmakers Scholar 2018. The workshop was all about helping the students realize the importance of self-promotion. Amalu conducted a small activity in between. She asked all the participants to write down 10 sentences to point out why they are remarkable and asked each delegate to read out any two sentences from their lists. The workshop helped the students to understand the importance of self-promotion and inspired them to rise up against social perceptions to create an identity for themselves.

Kochi Hub Reports

LEARN TO CODE - Introduction to Strings (Webinar)

Date: 8 April 2020

No. of participants: 25

IEEE Women in Engineering Affinity Group in collaboration with the IEEE Computer Society organized a webinar on Introduction to Strings, on 8th April 2020 from 07:00 PM to 08:30 PM. The webinar was taken by Aju Jacob, and it included a general session for strings in C programming. The webinar remained active until the end since the participants asked and cleared their doubts.

Career Choices (Webinar)

Date: 16 April 2020

No. of participants: 30

IEEE Women in Engineering Affinity Group organized a webinar on Career Choices by Fausya Amalh, ML Engineer, and Product Development Analyst.

Data Structures & Algorithms for Job Interviews (Webinar)

Date: 18 April 2020

No. of participants: 45

IEEE Women in Engineering Affinity Group in collaboration with IEEE Computer Society organized a webinar on Data structures and Algorithms for Job Interviews, handled by Keerthana K, Software Engineer.

Codeathon

Date: 19 APRIL 2020

No. of Participants: 23

IEEE Women in Engineering Affinity Group in collaboration with the IEEE Computer Society Student Branch Chapter organized Codeathon, an online coding competition exclusively for Learn to Code participants.

Kochi Hub Reports

Revelation

Date: 22 April 2020 No. of Participants: 10 IEEE Women in Engineering Affinity Group in collaboration with the IEEE Special Interest Group on Humanitarian Technology organized an online innovation challenge, Revelation.

Women in STEM and Innovation (Webinar)

Date: 25 April 2020

No. of participants: 30

IEEE Women in Engineering Affinity Group organized a webinar on Women in Stem & Innovation by Divya Ravindranath, CCO & Founding Member, Wequity for Women & Technology.

Disinformation and Data Protection During COVID'19 (Webinar)

Date: 30 April 2020

No. of participants: 26

IEEE Women in Engineering Affinity Group organized a webinar on Disinformation and Data Protection during COVID'19 by Asha Jomis, Policy Leader Fellow, European University Institute.

Going Places by Arundathi Kurup (Webinar)

Date: 7 June 2020

No. of participants: 40 IEEE Women in Engineering Affinity Group College of Engineering Chengannur organized Going Places, an interactive session with Arundhati Kurup who is currently doing her Masters in Computer Science at USC.

COLLEGE OF ENGINEERING POONJAR

Friday Sessions

Date: 21/02/2020

No. of Participants: 15

Friday Sessions include 2 lectures and 2 hands-on sessions.

The students, mainly girls, were given sessions on C coding to develop their skills in this area. The sessions were handled by Mr. Amal K Benny (Webmaster & Technical Coordinator IEEE SB CEP) as part of a program conducted by WIE AG.

Code-X

Date: 28/02/2020

No. of Participants: 14

CODE-X was organized exclusively for girls to test their skill and as an opportunity to familiarize them to its methodologies. Session was taken by Mr. Amal K Benny who is an expert in the field.

Artesano

Date: 02/03/2020

No. of Participants: 40

Origami is a widely popular hobby with serious scope of creative performance. The resource person Mr Melbin Mathew was highly skilled in this art and our session was greatly enjoyed by the participants.

G-Circuita

Date: 06/03/2020

No. of Participants: 32

In order to make Engineering more attractive to fair gender too, we have initiated the program to familiarize latest developments in creating electronic circuits and its components as part of WIE week.

Kochi Hub Reports

Bring Up

Date:08/03/2020

No. of Participants:28

As a gesture of our social commitment, we have organized an outreach program to grow awareness of these enabling technologies among the rural areas, before the local 'Ayalkkoottam'.

Ticket 2 Tech

Date:28/05/2020 to 17/06/2020

No. of Participants: 17

A series of technical talks were systematized as part of IEEE WIE AG CEP, to elevate knowledge, giving primary focus on women.

Learn to Design in Illustrator

Date: 13/06/2020-14/06/2020

No. Of participants: 24

In order to instigate designing in one's mind, IEEE SB along with WIE AG CEP, conducted a workshop on "learn to design in illustrator" led by Mr. Joice Jose, senior graphics designer, TrixMedia.

Full Stack Web Development

Date: 16/06/2020

No. of participants: 35IEEE SB with WIE AG CEP introduced a webinar on "Full stack web development" by Mr. Aravind Jaimon, former IEEE chair CEP.

Coffee @ 4

Date: 20/06/2020 - 24/06/2020

No. Of participants:100+ participants each day

IEEE WIE AG CEP had put forth a 5-day talk series, involving established women from various fields. It kick- start with Dr. Nikitha Hari (scientist, PhD from Cambridge), followed by Dr.Merin Mariam Mathews(practice coordinator, model), Ms.Uttay Versha Jha(MarCom professional), Adv.Lakshmi Sreedhar(high court lawyer) and Ms. Aparna Paul(model, dancer, blogger).
